To be above the standard they were required to have a scaled score of 110 or more.

### Key Stage 2 - Average Scaled Scores

|          | Reading | Maths | EGPS  |
|----------|---------|-------|-------|
| School   | 100     | 101.6 | 100.9 |
| National | 102.6   | 103   | 104   |

This is calculated by using the raw score and placing children on a scale where 100 is in the middle.

Writing is marked differently and is not attributed scores in the same way.

### Key Stage 2 - Progress measures

|        | Reading | Writing | Maths |
|--------|---------|---------|-------|
| School | -3.17   | -5.03   | -1.95 |

These refer to the progress made from a combined score in key stage 1 with each subject in key stage 2. The progress is based on similar groups of pupils nationwide. To be above floor standards school must be above -5 in reading and maths and above -7 in writing. We were above on all counts.
